Revised 6/07

Why risk driving without insurance when you CAN afford it?

You may be able to get insured for less than \$400 per year!

For information on the California Low Cost Auto Insurance
Program, call 1-866-60-AUTO-1 (1-866-602-8861) or
visit www.insurance.ca.gov

California law requires all drivers to have auto insurance.

Driving without insurance could result in fines, having your license suspended and your car impounded.

The State of California's Low Cost Automobile Insurance Program provides low-income good drivers with an affordable insurance option.

Easy payment plans are available for as little as 15% down!

Policies are issued by California licensed insurance companies.

To qualify, you must:

- Live in San Bernardino County
- Have a good driving record
- Be at least 19 years old
- Have been continuously licensed to drive for the past three years
- Be able to meet low-income requirements
